MANAGING STUDENT LIFECYCLE WITH EASE!!

The COVID-19 pandemic affected the education system worldwide causing almost complete closure of schools, Universities and Educational Institutes.

As the lockdown started in the middle of the academic session, many institutes had to wait helplessly or look for a method to run classes online.

However institutes with some kind of Student Management System could immediately transform their routine classes to the digital platform thereby enabling connection between administration, teachers and students.

Powered by Microsoft 365BC, our SLCM helped our marquee educational institutes transform smoothly to the digital mode, keeping them robust and future-ready.

Schools and Universities were able to change the fee management and other administrative process according to the new norms set up due to the pandemic.

NEW CHALLENGES, NEW LESSONS!!

Year 2021 was marked with the deadly COVID second wave and we all at Unikul Bangalore were on alert too. Though the lockdown made things tough, we knew that not only did we have to take care of our people and their health, we also had to ensure our customers' work did not get affected.

Unikul had strictly maintained all COVID protocols in its office premises and before the office reopened post the second wave we urged our people to get vaccinated at the earliest.

Good ventilation was arranged in the premises, televisions were installed for virtual meetings, routine sanitization was done, contactless cards for entry were put in place to keep our people safe.

With the new variant Omicron posing threat, it is time to recall the rules.

*"Prevention was
and is always
better than cure"*

**Even after you have been vaccinated against COVID-19,
you must keep taking precautions**

WE REBRANDED!!

With one of the World's best in class product, Student Lifecycle Management (SLCM) - Campus Dynamix, Unikul Solutions happily announced a brand refresh and shared it in its all-new avatar in the Year 2021.

Keeping pace with the changing market dynamics and customer expectations, Unikul Solutions Pvt Ltd has given a new, fresh dimension to the logo, rendering it a contemporary and differentiated identity.

The new logo represents the new energy and vigor with which we are ready to eliminate the pain points of educational organizations.

Move to the Next Level- our tagline ensures that Unikul Solutions with its awesome products and enthusiastic team can change the way the educational Institutes work.

*We also launched a new logo for our world-class Student Lifecycle Management product - CampusDynamix.
Here's a peek at our new logo...*

*The new website
with the new logo
is also live.

Trusted by marquee customers in the Global Education sector for delivering end to end solutions in the education vertical and Philanthropic Organisations, Unikul Solutions endeavours to build stronger connections and deliver greater value with its new brand image.

IN GRATITUDE TO THE ALMIGHTY!!

Some precious moments of gratitude and thanks were spent in prayers to the remover of obstacles - Lord Ganapathy on Ganesh Chaturthi.

**UNIKUL makes it to EduRISE,
a ISB – DLabs Accelerator Program**

We are proud to share that UNIKUL Solutions has made it to the coveted list of growth stage ventures in the EduRISE Accelerator Program run by the prestigious Indian School of Business, Hyderabad and DLabs.

We take this opportunity to thank our customers, partners and our awesome team for placing their trust in us and making the success of our innovative products possible.

WE DID IT!!!

2021 was a year to look back proudly at. Unikul Solutions made it to the coveted list of growth stage ventures in the EduRISE Accelerator Program run by the prestigious **Indian School of Business, Hyderabad** and DLabs.

Getting selected in the prestigious incubation program, that supports early-stage start-ups in the Indian EdTech Space, is a fillip to our initiative of digitizing educational institutes.

"It is going to be a tough journey but in the end it will be worth it"

ALL WORK AND NO PLAY..... THAT'S NOT OUR WAY!!!

Effective communication within a team is the sauce of increased efficiency. There are multiple ways of team building that ensure healthy communication and happy people in the office. Physical activities, growth activities, trips and even meals together unite the team. Eating with co-workers helps build camaraderie, foster deeper work relationships and boost productivity.

Unikulites had their share of fun and food at different get-togethers and outings throughout the year. Lunch at Taj Gateway, get together at Radisson Blu were the highlights of the year.

In December, the team enjoyed a day filled with physical activities and games at Area 83 in Bannerghatta Road, Bangalore. The activities included fun games like Human Foosball, Bubble Soccer, Giant Swing, Archery Tag followed by a sumptuous buffet lunch and ending with and Kayaking and Hi Tea. There was not a dull moment during the day. The team participated in all the activities with full enthusiasm.

Unikulites had their share of fun and frolic on Christmas eve.

Secret Santa, sharing of gifts, fun team games in office kept all engaged. And then it was time for tasty delights at Glen's Bake House, Bannerghatta Road.

*Let's wait for more happy moments as we wish you
A Happy New Year!!*
